Access millions of high-quality articles, from systematic reviews to clinical guidelines

FULL-TEXT ACCESS

Over 70% of articles link to full-text, with more available through institutional subscriptions

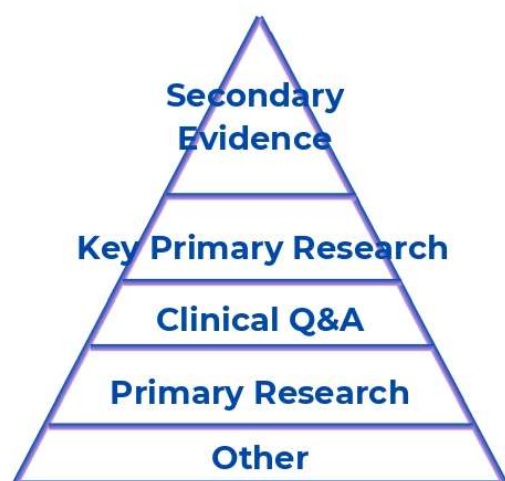

USER-FRIENDLY

Integrate cutting-edge and effective solutions to enhance overall business performance.

LOVED BY USERS

Consistent positive feedback from our users

Understanding the Evidence Pyramid

A visual representation used in **evidence-based medicine (EBM)** to rank different types of research evidence:

- **Structured Hierarchy:**
 - Categorizes research evidence by reliability & validity.
- **Prioritizing Quality:**
 - Helps clinicians prioritize high-quality evidence for better healthcare decisions.
- **Trip's Commitment:**
 - Our approach is guided by the evidence pyramid, ensuring robust & reliable data.
